Training Schedule

Welcome to DGI Training Center!

If you ship dangerous goods to, from or within the USA, employers and employees must adhere to the training requirements under 49CFR, Subpart H, Section 172.700.

At DGI we want you to know that when you train with us, you are receiving quality training. We hold ourselves to a higher standard and guarantee our training is in compliance with all applicable regulations.

When your training is complete, go back to work knowing DGI has your back. We offer free technical assistance to all our students for free!

Train with from virtually anywhere with DGI!

We are here if you need us:

ONSITE TRAINING

Training at your facility, customized to meet your needs

DGI's onsite programs give you the ability to customize and combine any of our public classes to fit your training needs. The end result is a seminar that is strictly tailored to your products, job functions, shipping patterns and internal requirements. The seminar will be conducted at your facility- saving you time and money!

All training programs include instructor, course workbooks, certification and the use of regulations when applicable. DGI programs are fully guaranteed to satisfy job specific transportation training requirements of the U.S. DOT, ICAO/IATA and IMDG/IMO.

WEBINARS

Cost effective, live, instructor led online training

DGI's webinar training is one of the most popular new ways to train. Save time and money by training from your own desk.

DGI webinars are all live, instructor led courses. You download and print your workbook, log on and interact with your instructor just as you would in a classroom setting.

Some webinars require you to provide your own regulations. Webinars start a varying times to accommodate east and west coast attendees.

Private webinars are also available to train students from just your company. Much like an onsite, private webinars are tailored to meet your companies individual needs.
