

# IATA/49CFR 2-Day Recurrent\* Syllabus

The 2-Day Recurrent course is for Shippers who prepare dangerous goods shipments for ground and air transit using the 49CFR and IATA regulations, and who have had 49CFR training within the previous 3 years and IATA training within the previous 24 months. Topics covered include a review of the initial classes for 49CFR and IATA with an emphasis on updates and changes. \*Prerequisite: previous IATA certification within previous 24 months, and 49CFR within previous 3 years.

Note: If you ship Radioactive Materials additional training is required. If you ship Explosives additional training is recommended. Security Awareness Training is no longer conducted in the classroom. We are now offering it for FREE on our website.

Included with Class: IATA & 49CFR Regulations, Classroom Workbook, Daily Lunch
