

IMDG

1-Day Recurrent*

Syllabus

The 1-Day course is designed for freight forwarders, third party logistics entities, carriers and freight brokers preparing dangerous goods shipments for ocean transport that have had previous IMDG training within the past 3 years. The course is a review of topics covered in the 2-Day initial class with an emphasis on updates and changes with the current edition of the IMDG Code. Recurrent training is required every three years for IMDG.

*Prerequisite: previous IMDG certification within previous 3 years.

Note: If you ship Radioactive Materials additional training is required. If you ship Explosives additional training is recommended. Security Awareness Training is no longer conducted in the classroom. We are now offering it for FREE on our website.
